

Stunning Small Miniature Goldendoodle Puppies +1(559) 745-5646

Чуст, Узбекистан

Raised in a loving family environment, these beautiful friendly puppies, are looking for FOREVER loving homes. All puppies have been socialized with children, and other animals and are confident playful characters. Mum is an F1b Miniature Goldendoodle, and Dad is an F1b Miniature doodle. The parents are not related and are loving family pets. They regularly see the vet and are health checked.

These puppies have been given the best start in life and questions will be asked about what kind of home you can offer them, so please don't be offended. Each puppy is now fully vaccinated, chipped, wormed, and ready to leave.

Our puppies stay with us until they are fully vaccinated with L4 and are confident to find their forever homes. They are currently using puppy pads and are getting into a good routine.
